[Sponsor invitation](#)

It is a great pleasure to invite you to participate as sponsor in the 46th Annual Meeting of the European Radiation Research Society (ERRS), which will be held in Caen, France, on November 26th until November 30th 2021.

[What is ERRS2021, and why attend and support the conference?](#)

The ERRS congress series belongs to a tradition of European meetings on radiation research initiated as early as in 1953, and the annual meetings have been held all over Europe. They bring around 200 leading academic scientists, researchers and research scholars working on all aspects of Radiation Sciences such as dosimetry, molecular and cellular effects, emergency, safety, medicine, epidemiology and the environment. It will offer high level scientific presentations and networking activities, providing an excellent opportunity to exchange knowledge and experiences within radiation research.

[By sponsoring ERRS2021 you get access to](#)

- Scientists and decision makers
- Students and early career scientists
- Newest science and knowledge within the field of radiation research

[Programme highlights](#)

- Radiation; physics; chemistry; biology; ecology; dosimetry; emergency; and epidemiology
- Innovative radiotherapy, hadron therapy, small-animal radiotherapy, ultra-high dose rates,
- Health effects, risk models, hormesis, space radiation, track structure,
